Dear Resident:

Re: Notice of Public Meeting
Terra Nova Dairy, LLC
Wabash County
Farm ID# 6530
NPDES Individual Permit INA006530

This office appreciates your correspondence regarding the Concentrated Animal Feeding (CAFO) permit applications submitted for approval to construct and operate a dairy production facility located near the intersection of County Road 500 East and County Road 250 South, in Wabash County. You are receiving this notification due to your expressed interest in this proposed operation, and confined feeding operations in general.

IDEM has reserved space at Northfield Jr.-Sr. High School's Auditorium, 154 West County Road 200 North; Wabash, Indiana on August 30, 2007, where entrance is available through the east parking lot doors. A public informational meeting will be held from 6:00pm-8:00pm. The doors will open at 5:30pm. Information will be provided regarding Indiana's regulatory program and the public will be provided an opportunity to submit questions in writing for responses. An opportunity will also be provided for the public to submit written comments or concerns on the proposed facility.

Citizens who are interested in receiving information about the state's confined feeding regulatory program are invited to attend. This public forum will also serve to collect public comment regarding concerns related to any pending CAFO permit application in Wabash County. Please bring this matter to the attention of persons you believe may have an interest in it.

Sincerely,

Jerome Rud, Chief
Solid Waste permits Section
Office of Land Quality
